OUR AMBASSADOR PROGRAMMES

We believe information, knowledge sharing and networking are irreplaceable catalysts for transformation and growth and part of our fundamental mission. To build the future, we cannot be tied to the present day and current technology. WAN-IFRA represents the newspaper industry in all international discussions. We have a formal associate status to represent the newspaper industry in international institutions like the United Nations, UNESCO, the Council of Europe, or the World Intellectual Property Organisation. As a global organisation with a human rights mandate, WAN-IFRA oversees initiatives to ensure that the press' essential role in society is understood and respected.
